DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on January 28, 2008, is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants have not responded to the Examiner's rejection of claim 12, and its dependent claims, for recitation of molecules that "include" other molecules. Although Applicants have provided some form of amendment to the claim, the claim language is structurally still the same, and there is no specific assertion in Applicants' arguments as to why the rejection was in error. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
